

WBSC Europe - World Baseball Softball Confederation Europe

2018: 38 member federations
2020: 54 member federations

Following the merger of the world Baseball (IBAF) and Softball (ISF) federations to the World Baseball Softball Confederation (WBSC) in 2012, the European federations for Baseball CEB and Softball ESF started talks about their fusion in 2015. At the end of this process, the joint congress established the **WBSC Europe** in Paris on 2018, Feb 10.

The two equal co-presidents and the secretary general of ISF chaired the WBSC Europe. The inaugural congress of the new merged federation, which took place in 2019, decided the dissolution of CEB and ESF in 2021.
