

Speed Skating at the Winter Olympic Games

Speed Skating is one of the main sports at the Winter Olympic Games since their introduction in 1924. At the Winter Olympic Games there is no overall competition. In 1932, the speed skating was held having all competitors skate at the same time. The women events were demonstration sport only, in 1932.

¹⁸ **Olympic Athlete from Russia (OAR)** is the International Olympic Committee's designation of select Russian athletes permitted to participate in the 2018 Winter Olympics in Pyeongchang KOR. The designation is the result of the suspension of the Russian Olympic Committee after the Olympic doping controversy.
