

# COSCABAL - Confederación Sur y Centro Americana de Balonmano

On 14th January 2018, during the IHF Council meeting, PATHF was suspended by International Handball Federation and was divided into two continental confederations namely the North America and the Caribbean Handball Confederation and the South and Central America Handball Confederation.

According to a CAS verdict the suspension and recognition of continental confederations can only be made by an IHF congress. This voting was rectified at the IHF congress on 03.07.2019.
