⁴ Russian Olympic Committee athletes at the 2020 Summer Olympics; This is the outcome of a decision by the World Anti-Doping Agency (WADA) on 9 December 2019 banning Russia from all international sport for four years, after it was found that data provided by the Russian Anti-Doping Agency had been manipulated by Russian authorities with a goal of protecting athletes involved in its state-sponsored doping scheme. As at the 2018 Winter Olympics, WADA would allow individual cleared Russian athletes to compete neutrally under a title to be determined (which may not include the name "Russia", unlike the use of "Olympic Athletes from Russia" in 2018).
